On-Campus Housing Form

We have reserved dormitory space in two dorms, both of which are an easy walk to the main conference site. Dorm reservations must be made by the early registration deadline of **21 June 1996**. Both dorms include daily maid service (linens provided first day for the week and daily fresh towels and beds made), and are fully air-conditioned. The **Stonier Hall** dorms (#56 on map) have suites with one shared bedroom and one shared bathroom. Only a block away, the **Hardenbergh Hall** dorms (#49) have single rooms with baths shared on each floor. If you elect Stonier Hall and do not specify a roommate, a roommate of the same sex may be assigned to your suite.

Please specify your dorm preference on your registration form; we will assign space accordingly on a first come, first served basis as long as rooms are available. Unfortunately, because there are only a finite number of rooms within each dormitory, we can neither guarantee your choice of dormitory nor your preference of dates. Check-in will take place at each dormitory. Check-in hours will be 14:00-22:00 on 26 July and 16:00-22:00 on 29-30 July.

Note that the accomodations include breakfasts and some dinners (on those nights that do not have banquets). Sorry, but we cannot give rates on rooms without meals, or on rooms on different dates other than those listed below.

All fees are in U.S. Currency. *Please circle the applicable fee. Payment due with registration.* Please include this form with your payment.
